#9, #11, All Girls
Pick 1, Draw 2, or Draw all 3

We believe no patient should have to make a choice between lifesaving treatment and the most basic living costs. Therefore, it is our mission is to raise money to ease the financial burden for local cancer patients. Money raised is distributed directly to the patient in need to support trips to specialists, medication costs, groceries, utilities, and/or fuel. We are honored to support Grant, Hidalgo, Luna, and Catron Counties.
